PRESIDENT'S THEME FOR THE YEAR  
**"Friendship and Fellowship"**

---

Today's Greeter is *Barrie Irons*

 *Welcome to our 2019 Probuss year*   
*Today's Meeting*

*Guest speaker: Our own Graham Sargison: Walking the Portugese Camino*

Short Bio: Born and bred in Christchurch NZ, went to the same Agricultural College as President Hamish, then transferred to Canterbury Uni to do a degree in Forestry. After graduating, worked in the forest industry in the Central North Island. Married Rosemary in 1973 and decided to do a world trip starting in Tassie. Got a job as Asst Logging Superintendent for Australian Newsprint Mills in Maydena for 5 long years before joining the Private Forestry Division of the Forestry Commission in Burnie in 1978. Promoted to Regional Forester SE in 1987 and moved to Hobart with our 2 daughters. After 30 years, retired from Forestry in 2008. Now I spend more time in the forest bushwalking and orienteering than I did when I was working!

*At the conclusion of the general meeting at around midday a group from UTAS are willing to provide blood pressure tests and irregular heart beat tests for anyone interested.*

## *Previous Club meeting*

In response to requests from members the Grace proposed by David Brammall at the Christmas lunch is published with permission.

*For food in a world where many walk in hunger*

*For faith in a world where many walk in fear*

*For friends in a world where many walk alone*

*We give thanks for our many blessings*

There were just over 100 members/partners/guests who assembled at the RYCT for a most enjoyable function organised by VP Graham. Thanks to all who contributed to the program especially the quiz and the Brandivinos for their original musical interludes.

When it becomes apparent.

(Sorry about that, I couldn't resist.)
