PRESIDENT'S THEME FOR THE YEAR
**ENJOY AND EXPLORE THROUGH
FRIENDSHIP AND FELLOWSHIP**

Version 2 (with apologies)

This month's Greeter:

Bob Clifton

Last month's meeting.

30 years in Probud

It was with great pleasure that President Mike was able to present Rob Irvine with a recognition of his years of service to our club.

Last month's speaker was Melvin Freestone, who took us on an interesting journey through the life and times of Moriarty and his family who moved from Ireland to Australia. The family faced many high and lows before settling into life in a very different world. Near the end of his talk Melvin revealed that Moriarty was a fictional character and challenged us to do some thinking about a number of issues.

This month's Guest Speaker is Andrew Bonsey

In a very different field, our speaker for today is

Andrew Bonsey BPsych Grad Dip Ex Sci AEP ESSAM

Andrew is an accredited Exercise Physiologist and has a strong personal and professional passion for health and fitness. He specialises in injury rehabilitation and management of chronic disease through the use of exercise and lifestyle coaching. Andrew is the Director of the HT Health Group at the Wrest Point Health Club, which incorporates the allied health practice and health club facilities.

I have no doubt he may challenge us to do some thinking about our exercise and health practices.

October Outing

Caled visit.

Twelve handsome gentlemen travelled to Franklin on Tuesday 13th October to tour the Calvert's injection moulding factory. This image was quickly transformed, however, when we were required to don hair and beard nets and hi-res vests. (One, who shall remain unnamed suggested he did not need a hair net as he was bald).

Jill and Don, who was recently awarded life membership to the RYCT, gave us a warm welcome upon arrival and Don made our tour most interesting with his thorough explanations of the various processes.

We were able to closely observe the moulding of milk bottles, small jars for various ingredients, bottle caps, fruit punnets and netting ties for the cherry orchards. A recent installation was explained to us for the recycling of used plastic product from various Tas. Businesses.

The tour was followed by a pleasant lunch at the Grand Hotel, Huonville.

Bruce Price - convenor.

White Beach Holiday

Members are reminded that our annual holiday at White Beach Tourist Park is scheduled to run from Monday, February the 8th (for Vanners) and Tuesday the 9th (for cabin dwellers) to Tuesday the 16th or any part thereof. Once again our musical group will be in attendance and Graham “Sargy” will be organising a walk on the Wednesday. Thursday will be our traditional dinner night. All Probians with family and/or friends are welcome.

Bookings should be confirmed with Pete or Bev at the park on phone 6250 2142. Mention that you are part of the Hobart Men’s Probus Club to obtain your discount. Any queries should be directed to David Brammall

A little girl and little boy are at daycare

A little girl and a little boy were at daycare. The girl approached the boy and said: "Hey Billy, want to play house?"

He said: "Sure! What do you want me to do?"

Sally replied: "I want you to communicate your feelings."

"Communicate my feelings?" said a bewildered Billy. "I have no idea what that means."

The little girl nodded and said: "Perfect. You can be the husband."
