PRESIDENT'S THEME FOR THE YEAR

**ENJOY AND EXPLORE THROUGH
FRIENDSHIP AND FELLOWSHIP**

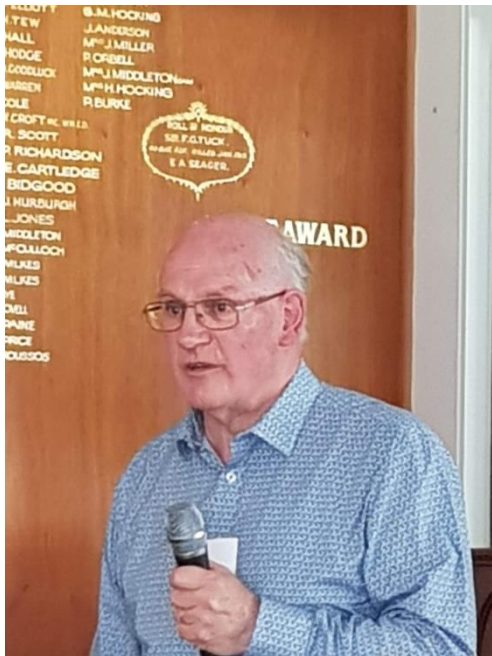

This month's Greeter is Michael Graham

An Important Reminder

We again need to make members aware that before coming to the meeting that everybody once again considers the Covid -19 protocols regarding their current health status, recent travel and exposure to others who may have been interstate etc. If in doubt please don't attend until you ensure everything is in order and that there is no risk to yourself or to our members.

Last Meeting

Peter Cripps

Our guest speaker for February was one of our esteemed members, Peter Cripps.

In recent years Peter, an architect and heritage consultant, has been to the UK and Europe a number of times during which he has visited many historic places which are featured in the development of our European heritage. Peter focussed on three of these particular buildings during his talk. It was fascinating to hear about the sheer size, the changes and the extravagant nature of the Palace of Versailles and its unusual residents. We were surprised by the interesting design features of the Chateau Malmaison and by the architectural links with some of the buildings in our own city of Hobart. Unfortunately Peter ran out of time and was not able to fully cover the Foundation Louis Vuitton. Perhaps another time.

Peter drew the members raffle which was happily accepted by Rob Brand.

This Month – Annual General Meeting

“Be there or be square.”

Luncheon News (Geoff Medhurst 6225 4333)

Our lunch in February was held at an old favourite, the Dr Syntax Hotel, where 12 of our members enjoyed excellent service, great value meals and of course a generous serve of friendly banter. These monthly lunches offer the opportunity to enjoy an extended period of fellowship not possible at the monthly meeting.

White Beach Magic

White Beach is a magical place and to enhance its magic forty one Probians, families and friends descended on it for our Club's annual holiday there. As always we had a fabulous time where activities included a Tuesday night concert; a Wednesday evening "singalong" and even more musical entertainment at our dinner on the Thursday night. All the music was organised and provided by our talented club musicians assisted by one or two friends and partners. Thank you to President Mike Walpole and Neil Blaikie for organising all the music. It was an outstanding addition to our holiday activities. The weather was reasonably kind and so the "Sargy" walk on Wednesday was mightily successful as were the daily beach strolls and kayaking. We only had one foray into the wonders of "Finska" – next year we will need to improve on that. Where was the ladies' challenge match? Our daily coffee mornings continued to be a highlight, albeit in a new venue and of course the "Happy Hours" – usually at "Gaz from Tas's" and Margaret's caravan - were always fully subscribed, noisy and exuberant. The Thursday Dinner at Rosedale Homestead was naturally another highlight. Grant, as always, catered for us magnificently. We even had some dancing and Scottish Reels to help shake down the food and maintain our exercise regimes. There were daily excursions from numerous attendees to various places of interest around the Peninsula. It was then, all in all, a happy and most enjoyable break from life in Hobart. The dates for 2022 are Monday/Tuesday the 14th/15th of February to Tuesday the 22nd or anything in between. Put them into your diaries now! The sites have been pencilled-in but need to be confirmed in September. Some of us are actually going in on Friday the 11th of February and taking our grandchildren with us to afford their parents a few days off. Food for thought? A number of photos taken at the time can be viewed on the club website.

The Walkers gather at Long Beach each Wednesday at 9.30 for a companionable stroll along the sand and/or paths. Coffee follows if desired.

Family BBQ

On Tuesday 23rd 27 members and partners enjoyed a convivial BBQ at Sandy Bay Beach. The quality of food, the sparkling wine and conversation and warm ambience combined to make it an enjoyable function. The accompanying photo is of two/too late Presidents together.

It is pleasing to see that the Warblers have been able to begin their activities again. The group assembles each 2nd and 4th Tuesday at the Sandy Bay Bowls and Community Club at 10.00 am. Members are warmly encouraged to join the group. Contact Bob Brewster. (6225 1964)
